- dd. Move the basalt columns out of the planting beds on the east side of the park.
and place them in their own prominent spot or incorporate into "fencing"
- ee. Increase sunlight to ground level along the east side of the park to a state of dappled shade
could be "opened" up more
- ff. Have a native plant display/exhibition
as a part of the whole park
- gg. Get more people from the community involved in gardening, so there is more traffic in the park.
because of the "small" area utilized as gardening, amount of hours per week would still be small + not address evening / night use.
- hh. Have a cooperative flower garden near the front of the park
has good potential

- I agree with most of proposals but
- # C. - the cameras would get broken or stolen.
 - # D } I feel it would encourage the use of
 - # E } usage of drugs in Park area.

We should band all drugs in Park area at all times. If people are caught selling or using drugs in Park area should be band from using the Park.

- ii. Open up and encourage the use of the community garden
The cause of its location - "opening up" will create a hide-hole for nefarious activity
- jj. Take leaves, fruit, etc., for compost in the community garden.
only parts receive sufficient strong sunlight/heat to properly compost
- kk. Expanded community garden with people working different shifts to maintain a constant presence
it's such a "small space" - there's only so much one can do - doubtful that that's enough to do to make hours of work
- ll. Put a vegetable greenhouse in place of the community garden
no - high maintenance
- mm. Have time trading between community gardens around the city
? what is?

Park Use and Community Activities

- nn. Ask the Whiteaker Neighborhood Association to organize an annual event at the park.
(Whiteaker Jamboree) 1. high density events will cause lasting damage to this park
2. you(?) organize events of low density usage & present it to WCC to get support.
- oo. Have Scobert Park be a regular stop for library bookmobile
prop. 47 may kill bookmobile - besides library is only 1.5 miles from park
- pp. Have weekly or monthly neighborhood potlucks
bi weekly -
- qq. Have Scobert Park be a regular stop for the Goodwill career van
no place in the park for the van to be
- rr. Have chess and checkers tournaments
only happen occasionally during the "dry" season
- ss. Invite low-attendance activities (fund raisers, weddings, etc.)
yes
- tt. Encourage the Whiteaker Community Council to hold meetings in the park in good weather
WCC meetings are during the evenings - lighting problem, plus it is difficult to hold any kind of meeting in an open environment (general distractions as well as specific distractions)
- uu. Have Whiteaker street theater in the park
yes
